

Limited guarantee

Although igus® has taken all reasonable measures to keep the information in the software as well as the software itself accurate and error-free, igus® nevertheless does not guarantee that the software and the information it contains is accurate and satisfactory to your expectations and that the use of the software is free from interruptions or errors.

igus® also does not guarantee that potentially existing errors are corrected. You load and use the software at your own risk, and igus® cannot be held liable in any way for any kind of damages, especially for damages resulting from lost profits, business interruption, loss of business information or data or any other financial loss arising from the use of the software or the inability to use this software.

A legally binding assurance of certain properties or the suitability for a certain application cannot be derived. Please avail of our consulting services.

igus® does not guarantee that the software and the media are free of viruses. It is your responsibility to check the software for the presence of such viruses with the help of appropriate means, and igus® strongly advises you to do so by means of the latest virus programs. igus® assumes no responsibility for any loss whatsoever caused by the presence of computer viruses and cannot be held liable for such losses.

igus® excludes itself from any further warranty regarding the software and related documentation.

The above-mentioned limitations do not apply to damages caused by gross negligence or willful misconduct on the part of igus®. Also, claims based on mandatory legal provisions on product liability shall remain unaffected.

The terms in the catalog marked with ® are protected by german trademark laws and to an extent internationally.
